

USAID Cuts Hit Home in **NORTH DAKOTA**

1 university will lose at least 1 subaward of
unknown value

Farmers will lose reliable markets for their crops

RURAL AREAS STATEWIDE

FARMERS & WHOLESALERS are losing reliable
markets for their soybean and grain crops

It's difficult to estimate the direct impact for
South Dakota, but every year USAID purchased
about 1 million tons from U.S. growers and
spent \$2 billion to provide food aid

AL Fargo

NORTH DAKOTA STATE UNIVERSITY
lost a subaward, of unknown value, in
which they contributed world-class
expertise to the **Legume Systems
Research Innovation Lab** led by
Michigan State University
